What's new

The new look feels fresh, easy to use and intuitive:

- Updated appraisal model designed to facilitate processes such as constructing appraisals.
- More accurate viability assessments in far fewer steps.
- Improved functionality making it easier to view projects clearly on a Gantt chart.
- New look timetable to allows users to view project milestones and cash flows across all types of projects.

Refreshed design

for an improved user experience

Project management

including fully flexible Gantt charts and cash flow

Enhanced appraisal calculation

for phasing and unit detail
